

Word from Preston

This month we continue to grow closer to our community by supporting our Snack Pack Program. The Snack Pack Program has made sure that children go home with food for the weekend. This church and other churches have supported this vital organization. It reaches over 675 people. This month we have an opportunity to continue with supporting an organization that does some meaningful work.

Here are items that we can donate to support them:

Packs of crackers

Individual bags of chips

Vienna Sausages

Quart size Ziploc bags

Granola Bars

Ramen noodles

Macaroni and Cheese

Your thoughtfulness and generosity toward Food for Families in March was humbling and I know made a huge difference.

Thank you for caring and loving this community.

Music!

Heartfelt thanks to our amazing Sanctuary Choir for leading us in powerful worship on Palm Sunday. They worked so hard getting it ready and our Lord was glorified. And it is always so special to celebrate our Lord's resurrection on Easter! What an awesome time we had together.

Praise band is working towards our outdoor service on May 5th. We are looking forward to a great time of worship and fellowship.

Our church family is so loving! It is such an honor to worship with you each week. I praise God for all He has done in our church and all He has in the future for us.

Because He Lives,

Glenn Crosthwait

Dear FBCJ Congregation,

Plans are underway to replace the roof on the Sanctuary and Chapel during the week of April 1st to April 5th. If you have a need to be at the church during this time, please use extra caution and heed any instructions that the construction crew may offer for your safety. Our roof is approximately twenty years old and some shingles are starting to come off and a couple of leaks have occurred. We have a beautiful church facility and our goal is to protect it and keep it beautiful for years to come.

Please be patient during this time. If the date has to change due to weather we will let you know as soon as possible.
